

# Charcoal Detox Face Mask

With activated charcoal, for a super effective skin detox. This premium face mask is a luxury spa in an eco-jar!

Each face mask contains at least six servings, making it an irresistible pampering gift experience.

Each charcoal face mask is made by hand in the UK. We are an all vegan supplier, which means every item is full of good stuff. Moreover, this face mask is plastic free, with not a drop of palm oil in sight.
